

WHAT IS AN APPRENTICESHIP?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an Apprentice you will spend time both in College and in the workplace learning new skills and training alongside experienced staff, which will lead to nationally recognised qualifications. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you will also achieve qualifications which are recognised by your chosen profession.

VENUE AND DURATION OF COURSE:

The Apprenticeship programme will take place both at John Ruskin College and in the workplace. The programme will run for a typical duration of 18 months.
