Since our last edition, students have been very busy taking part in **mock interviews and workshops**, **attending course trips**, and **raising money and donations** for charities.

In this edition, you'll have the chance to read all about what students have been up to this term from exciting trips to Chelsea Stadium and the London aquarium to employer workshops and visits. We'll also be sharing how you can access our NEW Careers Hub, full of useful resources to help guide you onto your next steps.

A TRIP TO CHELSEA STADIUM

Sport Level 3 students had the amazing opportunity to visit Stamford Bridge Football Stadium, the home of Chelsea Football Club!

Students were given a guided tour starting with the Chelsea FC Museum informing them of the 115-year history and got the chance to view the exclusive match-worn items for the Men's 1st Team.

Students also took part in a mock up Q&A session in the stadium's Press Room as well as a guided tour of the stadium from the players' point of view in the home dressing rooms.

Covid-19 Safety REMINDER

It's **recommended** that students, staff and visitors remember to wear a face covering in **all learning and social spaces** around College.

Face coverings reduce the spread of Coronavirus droplets from coughs, sneezes and speaking, alongside regular hand washing and social distancing.

A visit from Salon System

Beauty Therapy and Body & Spa Therapy Level 2 students welcomed Salon System to their salon. Janet, the Nail Technology tutor from Salon System spent the day assisting and training students to help them build confidence and develop their skillset in acrylic nail overlaying and how to apply nail tips.

Students practiced these newly developed skills on both hand mannequins and real life models and were delighted to receive certificates at the end of the training!

Travel & Tourism Museum Trips

Travel & Tourism Level 3 students recently visited the **Science** and **Natural History** Museums in London as part of their course.

The trip provided students with a chance to reflect on aspects that they have learned on their course as well as reinforce their learning.

In addition, they had the opportunity to experience the **customer service provided** and how the museums monitored this as well as the **methods of funding**, and types of customers that visited the museums and how the museums met their needs.

OPEN EVENT DATES

Haven't you heard?

We have two more Open Events coming up this year!

Open Events are a great way to engage with expert tutors and explore the College facilities and find out more about the range of Full-time, Part-time, T Level courses and Apprenticeships on offer. Don't miss out!

UPCOMING OPEN EVENTS:

- Tuesday 1 March 2022
17:30 - 19:30
- Saturday 18 June 2022
10:00 - 12:30

Let your
friends
& family

Childcare visit the London Aquarium

Childcare Level 3 Year 2 students recently travelled up to London to visit the Sea Life Centre London Aquarium! As well as being a reward for their hard work, this trip was part of their unit work for supporting emergent literacy and mathematics. The aim was for the students to see the visit through the eyes of a group of children and reflect on the trip as if they had taken a group of Year 2 pupils.

After the trip, students were tasked with putting together a colourful display, reflecting the children's interests and embedding mathematics and early literacy, incorporating the colours and shapes seen around the Aquarium.

THE INTERVIEW & EMPLOYABILITY SKILLS WORKSHOP

Art and Design Level 3 students participated in an Interview and Employability Skills Workshop arranged by Melinda, Partnerships and Programme Manager at Croydon Commitment. Students were able to engage in conversation with people from a variety of sectors including Construction Management, IT and Pension Protection Fund Management.

Students were offered effective tips and advice on interview techniques and learned how to utilise their CV's during an interview.

Overall students gave positive feedback on the event and will use this knowledge to help them prepare for upcoming interviews!

Hair & Make-Up Alumni Talk

Former Hair and Media Make-Up Level 3 student Ashleigh, returned back to College to speak with current students.

Ashleigh spoke to students about her journey at John Ruskin College and how she progressed onto a University level course at East Surrey College studying Theatrical, Media and Special Effects Make-Up Foundation Degree (FdA). She then went on to share how she had completed multiple professional work on TV productions, one of them being a new television drama called 'Pysched' which is currently in the production phase.

It was great to see students thankful to hear from someone who started off at John Ruskin and how what they are learning in the classroom can be applied within industry.

Meet Elizabeth

President of the Student Union
& Student Governor

Hi everyone,
I'm Elizabeth, your President of the Student Union!

This year, the SU have planned and prepared exciting things for all students to get involved in ranging from a **Football Tournament, a Talent Show** to **raising money for charity!**

I went for this role as I wanted to be at the forefront of creating and organising fun activities with Harvey, our Enrichment & Wellbeing Officer to engage with the local community and raise money whilst doing it!

After College I plan to take a gap year to focus on journalism and tourism, but afterwards study Occupational Therapy at University.

I hope you all had a great beginning of term and I cannot wait to see what this year brings.

Meet Emily

Vice-President of the Student Union & Student Governor

Hello everyone,
I'm Emily, your Vice-President of the Student Union!

If you haven't already taken part in our events this year - now is your chance. We have loads for students to get involved with and we want to make sure your voice is being represented within the College.

I went for this role as I wanted to meet new people and **help grow the JRC community**. The best part of this role is meeting all of you and **hearing your great ideas!**

I've already applied to multiple universities next year and have been given an offer already at Canterbury Christ Church University to study Occupational therapy!

My last update would be to make sure you check out our NEW webpage coming soon to follow our latest news and have your say!

student
UNION
JOHN RUSKIN COLLEGE

This term we have been busy, busy, busy with planning and organising some exciting upcoming events! Keep a look out for our new Student Union web page coming soon and for the latest activities, follow the College's social media pages - you don't want to miss out!

DONATIONS FOR THE HOMELESS

This term the Student Union helped coordinate the "Unwanted" presents campaign. Students across both Colleges (East Surrey College and John Ruskin College) donated presents to Centrepont, a charity supporting homeless young people!

A massive thank you to all those that donated!

WHY SHOULD YOU GET INVOLVED?

- Turn your feedback into an action
- Help build the College community
- Develop skills for your CV
- Meet new people
- Enjoy a variety of activities

The nation's biggest mental health conversation Time to Talk took place 03 **February 2022**. This was a day about learning how to create supportive communities by having conversations with family, friends, or colleagues about mental health.

If you are struggling with mental health or are worried about someone else's mental health, you can find support links our Wellbeing Hub at: www.johnruskin.ac.uk/wellbeing-hub
